

Attend the **INTERNATIONAL STANDARDS ORGANIZATION (ISO) STABILITY WORKSHOP** at the Fisheries Museum of the Atlantic in Lunenburg
June 7th, 9am to 5pm

Deadline for registration: June 1st

Presented by the **Nova Scotia Boatbuilders Association (NSBA)** and **Michael Vollmer** of Michael Vollmer Yacht Design Inc., this one-day workshop will cover **ISO stability, down flooding and water ingress standards, including cockpit drainage, windows, hatches, port lights and doors, and real boats on water review courtesy of the Lunenburg Shipyard.**

Michael's biography and workshop schedule are attached. For more information, visit his website at <http://www.vollmeryacht.ca>.

Registration is required to be in attendance and must be completed on or before June 1st, 2011. The cost is \$225.00 with HST per individual attendee for NSBA Members and \$250.00 with HST for Non-Members. Lunch is included.

To register, complete the information on the attached form and fax to (902) 423-2379 or email Toba at nsbatraining@eastlink.ca.

For information on upcoming workshops as it becomes available, see the NSBA website at www.nsboats.com/calendar

Questions? Need directions? Email or call the NSBA office at (902) 423-2378.
