8 WEEK INTRO TO COMPOSITES FABRICATION COURSE

Meteghan River, Nova Scotia
Monday, January 24 - Friday, March 18

Here's your chance to pick up the tools and learn the skills that will help you leap into a career in Composites Fabrication with a dynamic local company!

Visit nsboats.com to download the application form and submit a resume for an opportunity to fill one of 15 spots available. The course involves both classroom and hands-on learning.

The course takes place Monday to Friday from 8am - 4pm each day.

Application deadline is Friday, January 10, 2022. Send applications and resumes to
ANN.MUISE@NSCC.CA

Introduction to Composites Fabrication Training

This is your chance to be exposed to, and gain experience with the tools and skills that can help you take the leap into a career in Composites Fabrication with a dynamic local company!

IS THIS THE RIGHT FIT FOR YOU?

- Do you take pride in quality workmanship?
- Are you an 'attention to details' type of person?
- Do you have a passion for hands on work?
- Are you currently unemployed or underemployed?
- Do you want a great job working full-time for a local company?
- Most of all – are you eager to learn?

TELL US MORE ABOUT YOU!

Information on this form will help our panel in the selection process for the program. **Previous experience with composites is not required.**

First Name		Last Name	
Email		Telephone	
Street		Apt #	
City		Postal Code
